The Central Wisconsin School of Ballet's International Ballet Masters Intensive is a training program designed for young dancers between the ages 10 and 22. This intensive course aims to develop the student's technical skills, artistic refinement, and approach to repertoire. This summer we are thrilled to welcome back Carlos Lopez, American Ballet Theatre's Director of Repertoire.

Video auditions will be accepted from April 15, 2024. Video footage of performances and/or variations will not be accepted. Your audition should be no more than 10 minutes in length.

Please submit your video audition via email to include your weblink: YouTube or Vimeo are most accessible - if a privacy setting is applied, please submit with the password necessary to view.

Start the recording by stating your name, age, and date of birth. Create your own combinations both at the barre and in the center using the below requirements.

Barre:

- Grande plié in each position
- Tendu en croix with demi plié
- Degages en croix
- Rond de jambe en dehors and en dedans
- Developpé and fondu en croix
- Grand Battement en croix

Center Work:

- Adage, show ecarté and first arabesque
- Petit allegro
- Grand Allegro
- Demonstration in Pointe combination

***Optional:** What do you want to accomplish during this summer training course?
